ABOUT THE COLLEGE

Hazi A. K. Khan College is the lone representative institution of Higher Education at Hariharpara Block. The Block was endowed with a considerable number of Primary, Secondary and Higher Secondary Institutions. But no institution was there to cater further education for the young aspirant stakeholders; predominantly the girls. The idea was initially conceived by honourable Hazi Abdel Kader Khan who donated land to set up a college. Afterwards, some local robust persons took timely initiatives in framing required Society Registration and completed other formalities with the Government. The long-cherished dream came true in 2008, when Hazi A. K. Khan College started its journey at Hariharpara High School getting affiliation from University of Kalyani with Honours and General Courses in some traditional disciplines in Arts. Very soon the institution was shifted to the present location. At present twelve academic departments in Arts are there, out of which seven have Honours Courses.

ABOUT THE SEMINAR

Indian ethos focuses on the existence of human being as truth. There is nothing more perfect than the supreme soul. If you are good then the world is also good for you. The Ethics Committee stands as the bridge between the researcher and the ethical guidelines of the country. The basic responsibility of the Ethics Committee is to ensure an independent, competent and timely review of all ethical aspects of the project proposals received in order to safeguard the dignity, rights, safety and well-being of all actual or potential research participants.
