AND

MISSION GREEN UNIVERSE FOUNDATION  
NOWDA, DEBPUR, MURSHIDABAD, WB, 742134

For development of Environmental Initiatives within and beyond the institution in cooperation with the organisation mentioned.

General objective of this Memorandum of Understanding (MoU) is to motivate and facilitate collaborative activities between the two parties regarding environmental issues, preservation of greenery and all-round development of the students of the institution. Another aim is to instil the quality of being an entrepreneur within the students of the institution. This treaty also aims to put some contribution towards the society.

The organisation mentioned will:

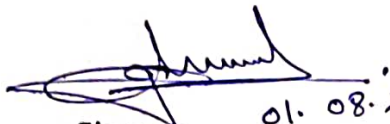

1. Develop a Seed-Bank / Seed-Library and an Indoor Mushroom Production Unit in the place provided by the institution.
2. Organise Plantation Programme within and beyond the institution involving students of the institution.

3. Convene Green Campaign Programmes throughout the year in collaboration with the institution.
4. Impart required training to the students of the institution towards preparation of saplings from seed and production of mushroom.
5. Take necessary initiatives to reinstate local small-scale industries in collaboration with the institution.
6. Supervise and perform the Green Audit in the institution, year wise.
7. The institution will provide basic cost of any joint venture which will be negotiable and shared according to the event.

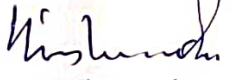

This agreement will take effect from the 1<sup>st</sup> August, 2022 to 31st July, 2025 unless sooner terminated, revoked or modified by mutual written agreement between the parties and may be extended by mutual written agreement.

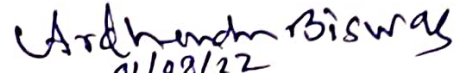

Either party may terminate the agreement at any time preceding a three months' prior notice to the other party.
