Sub: Proposal for conducting RICE Talent Scholarship Test from RICE Education Berhampore Branch

Dear Sir/Madam,

At first, we would like to congratulate you for your immense contribution in the field of education. Your continuous endeavors to enrich the students with your knowledge have made the students successful in their academic career & lead to a bright future.

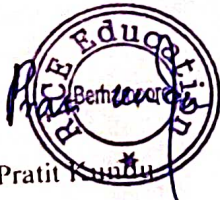

Since the year 1985 we have been successfully imparting quality training for various competitive examinations held for the recruitment of Government & Public Sector Employees under the Central and State Governments and this training has made our students achieve their goal of becoming Govt. Officials.

RICE Education, has taken the initiative to conduct "RICE Talent Scholarship Test" for the students to avail the scholarship from RICE education. The Scholarship is introduced to identify talents based on their merit and help them to enroll in preparatory courses for various competitive examinations for government jobs. The Scholarship will provide them with an opportunity to pursue the said course at RICE Education. This Scholarship is a great support for the financially weak but meritorious students who sometimes find it hard to take an external support in their preparation towards government jobs. Such obstacles usually act as a hindrance to realize their dreams and bring them out of their current financial, and sometimes social, clutches to the better life.

Requesting your permission to organize this scholarship test in your esteemed institution .

Requesting your approval to organize the same. Please do the needful and oblige thereby.

Thanks and Regards,

Pratit Kundu
