No Registration Fee

About the Seminar:

The primary concern of National Assessment and Accreditation Council is to evaluate the quality and performance of educational institutions based on a set of parameters. The parameters for standard quality assessment by NAAC are divided into seven criteria, each with specific key indicators. Each of these criteria is further divided into specific key indicators, and NAAC assesses institutions based on their performance against these indicators. This seminar on the parameters of quality assurance by NAAC organised by IQAC, Hazi A. K. Khan College is expected to be an informative and engaging event for educators, administrators, and stakeholders involved in higher education institutions.

About the College:

Hazi A. K. Khan College is the lone representative institution of Higher Education at Hariharpara Block. The block was endowed with considerable number of Primary, Secondary and Higher Secondary Institutions. But no institution was there to cater further education for the young aspirant stakeholders; predominantly the girls. The idea was initially conceived by Hazi Abdul Kader Khan who donated land to set up a college. Afterwards, some local robust persons took timely initiatives in framing required Society Registration and completed other formalities with the Government. The long-cherished dream came true in 2008, when Hazi A. K. Khan College started its journey at Hariharpara High School getting affiliation from University of Kalyani with Honours and General courses in some disciplines in Arts. Very soon the institution shifted to the present location. At present twelve academic departments in Arts are there, out of which seven have Honours Courses.
