**Name of the event:** "Save Drinking Water"  
**Date of the event:** 22/11/2019  
**Venue of the event:** Choa, Hariharapara  
**Event category:** Environmental Awareness  
**Number of Participants:** 08

## Objectives:

1. Raise awareness about the importance of conserving and protecting drinking water.
2. Emphasize the significance of responsible water usage and the "Save Drinking Water" campaign.
3. Encourage individuals to take action to reduce water wastage and preserve this precious resource.

## Brief Description of the Programme:

On 22nd November 2019, a community-led "Save Drinking Water" awareness program was organized at Choa, Hariharapara. Participants engaged with the community, highlighting the importance of responsible water usage, the consequences of water wastage, and the long-term impacts on our environment. Volunteers also discussed the significance of avoiding water pollution and its impact on the quality of drinking water.

## SWOC Analysis

### Strengths:

- The event successfully raised awareness about the importance of conserving drinking water among the local community.
- Active participation from community members and volunteers.

Mob:

- Limited resources and funding may have restricted the scope and impact of the event.
- Ensuring sustained water conservation efforts within the community can be a challenge.

## Opportunities:

- Collaboration with local environmental organizations, schools, and government agencies could expand the reach and impact of future events.
- Potential for ongoing water conservation campaigns and workshops.

## Challenges:

- Changing people's habits and promoting responsible water usage can be a significant challenge.
- Ensuring that the community continues to prioritize water conservation in the long term.

## OUTCOMES

The "Save Drinking Water" awareness program organized by the community served as a significant step in raising awareness about the importance of conserving and protecting drinking water.
