Brief Description of the Programme

A one-day workshop was organised by the NSS unit and IQAC of Hazi A. K. Khan College in collaboration with Mission Green Universe NGO on 5th June, 2023 to celebrate the occasion of World Environment Day. Keeping in mind the increasing heat in the local vicinity and in the world in broad, the programme also advocated for tree plantation. The programme began with a brief speech by the principal of the college Dr. Goutam Kumar Ghosh who actively participated in the programme and encouraged the students in mass tree plantation. After that Mr. Ardhendu Biswas delivered his speech on the importance of saving and caring for our mother nature. The programme also included a Rally where students, staff and faculty of the college participated. At last, there was a tree plantation programme. A number of trees were planted in the college campus. The programme concluded with a pledge by all the participants to plant more trees.

SWOC Analysis

Strengths:

- The programme saw the active participation from the Principal, NSS Vounteers, students, staffs and faculty.
- The collaboration with the NGO Mission Green Universe added to the strength of the programme.

Weaknesses:

- Inbuilding sustainable environmental awareness among locals is difficult.

Opportunities:

- There is scope of collaborating with more NGOs in future.
- The NSS Unit may organise mass tree plantation in future.

Challenges:

- Watering and caring for the planted trees is a challenge.

OUTCOMES

The programme successfully made awareness of ill effects of deforestation, global warming etc. It emphasised the pressing need of caring from mother nature. The Rally and tree plantation drive successfully showcases the NSS Unit's endeavour to promote environmental awareness among the students and the local community.
