Dr. Rajib Sanyal

ACMOH, Sadar Subdivision at Murshidabad Medical College and Hospital

Date: 07.07.2018

Time: 11:30 a.m.

Venue: Hazi A. K. Khan College

Convener: Piyali Dan, Programme Officer, NSS Unit

Teacher-in-Charge: Dr. Chandrani Pal

Objectives of the Workshop:

The PC-PNDT Act, enacted on 20.09.1994, intends to prohibit paternal diagnostic techniques for determination of the sex of the foetus leading to female feticide. In view of generating mass awareness on this Act Hazi A. K. Khan College organizes this Seminar. By creating awareness among students, it also aims to prevent gender-based abortions which is vastly committed in educationally and economically backward areas and to ensure the survival of a girl child and provide security to her life when she is an infant.
