A BRIEF REPORT OF
ONE DAY STATE LEVEL SEMINAR
ON

Relevance of Buddhist Ethics in Global World

Organized by: Department of Philosophy, in Collaboration with IQAC

Speaker: Dr. Goutam Kumar Ghosh, Associate Professor, Krishnath College, Murshidabad

Date: July 11, 2018

Total participants: 70

Objectives:

Indian philosophy is the philosophical speculations of all Indian thinkers, ancient or modern, Hindus or non-Hindus, theists or atheists. The core of Buddhism is composed of the ethical principles and precepts as well as the values and virtues expounded by the Buddha. In Global world armed conflicts are rampant. The world frequently witnesses terrorism, war, violation of human rights, violence against human beings. Nowadays all human beings are suffering from mental and psychological problems. We have many problems because of being irrational and out of touch with reality. Buddhism as a religion is talking about overcoming problems in future lifetimes, gaining liberation from rebirth, and becoming an enlightened Buddha. Buddhist ethics also helps us to minimize our suffering and problems in this lifetime, too. This seminar was organized to help the participants to rethink the relevance of the ethics of Goutam Buddha in Global world.

Brief Description:

The Seminar began at 1:00 p.m. The opening ceremony was inaugurated with welcoming the guests. It was followed by lightening the lamp. In her Keynote address, Dr. Munmun Dutta, Convener of the seminar and Assistant Professor, Department of Philosophy, well explained the objectives of the programme.

Resource person Dr. Goutam Kumar Ghosh gave an elaborative explanation about the applicability of Buddhist ethics in modern world. He also discussed that in global village immorality, unethical behaviour, brutality, violence has grasped our life. In this respect, Buddhist morality has much to offer to modern man. Buddhism can be considered as a path of moral perfection. The entire path is comprised of gradual stages of ethical purification. His lecture was followed by interactive session. The seminar was concluded with vote of thanks delivered by IQAC Coordinator.

Outcomes:

This seminar helped participants

- To understand the importance of Buddhist ethics in today's life
- To know that the goal of Buddhism is a modification of a person's behavior and a transformation of a person's emotive and cognitive constitution. The consequence of this modification and transformation is that the person concerned overcomes the ills of existence and ceases to produce suffering to others.
- To make distinctions between what is morally right or wrong and good or bad
- To create awareness about problem and scientifically and technologically advanced society.
- To combat with the modern threats of global village.

Brochure of the Seminar

About the College

Hazi A. K. Khan College is the lone representative institution of Higher Education at Hariharpara, a Block within Berhampore Sub-Division of Murshidabad District in West Bengal. This institution started its journey at Hariharpara High School getting affiliation from University of Kalyani with Honours and General Courses in some traditional disciplines in Arts. Very soon the institution was shifted to the present location set up partly by Government aids along with generous donations from local people and people's representative. The focus of this institution rests primarily on nurturing excellence in the local young, who would be mentored to achieve success in their later professional and entrepreneurial ventures and lead a decent life.

About the Seminar

The main goal of Buddhist ethics is to reach freedom from suffering by coming to see the world as it actually is and abandoning the distorted projections that our thoughts and emotions create. In Buddhist Ethics point of view, animal life is precious, and human life is even more so. Buddhism upholds lofty and demanding ethical values. In the Five Precepts Buddha advises abstinence from - harming living beings, taking things not freely given, sexual misconduct, false speech, and intoxicating drinks and drugs causing heedlessness.
