**Objectives of the Webinar:**

In the context of New Educational Policy 2020 it is an observed fact that “If there is no quality there will be no accreditation and if there is no accreditation no survival”. To widen the horizon of accreditation scope for provisional accreditation has been launched as a simple method. PAC is a temporary status given to the prospective institution preparing for the final Accreditation. The provisional accreditation will be valid for 2 years. This process is comparatively very easy and could be considered as a first step by new institutions aiming for Normal Accreditation. The One Day State Level webinar was organized by the NAAC committee, Hazi A. K. Khan College to get acquainted with new framework of NAAC Provisional Accreditation for Colleges (PAC). It also attempted to provide opportunities to institutions to prepare and plan to apply for NAAC accreditation.
