About the Seminar:

There are so many socio-environmental issues which are severe threats to humanity across the world. This seminar is organised for a discussion on these issues like water scarcity, pollution, over population, unemployment etc. to find a way to cope with these problems. Constructivism helps us to acquire knowledge based on experience and provides us the capability to combat with several problems. Constructivist Learning Approach can be effective for the students to achieve knowledge about the

About the College: Hazi A. K. Khan College is the lone representative institution of Higher Education at Hariharpara Block. Generous Hazi Abdul Kader Khan donated land to set up a college. In 2008, the college started its journey getting affiliation from University of Kalyani with Honours and General courses in some disciplines in Arts. At present twelve academic departments in Arts are there, out of which seven have Honours Courses.
