## A Brief Report

on

### One Day State Level Seminar

### ‘On the Way to Mass Extinction’

**Organized by:** IQAC, Hazi A.K. Khan College

**Date:** 25.05.2022

**Time:** 12:00 noon

**Venue:** Room No. 110, Hazi A. K. Khan College

**Total Participants:** 66

**Resource Person:** Dr. Pinaki Bose, Head, Department of Environmental Science, S.R. Fatepuria College, Beldanga, Murshidabad

**Objectives:** The major objectives of the seminar are-

- To analyse the issue of mass extinction.
- To highlight the causes of mass extinction.
- To find out some ways to cope with the above issue.
- To assess the significance of the issue.
- To make students aware of the fact.

#### **Brief Description:**

A one day state level seminar naming ‘**On the Way to Mass Extinction**’ was organised by IQAC, Hazi A. K. Khan College on **25<sup>th</sup> May, 2022** at **12:00 noon**. It was an excellent initiative to have a discussion on the mentioned objectives of seminar as it’s a global issue. There is existence of numerous species across the earth.

Dr. Pinaki Bose, Head, Department of Environmental Science, S.R. Fatepuria College, Beldanga, Murshidabad was invited as resource person. There were a number of guests present on that seminar. The inaugural speech was delivered by the Patron, Dr. Goutam Kumar Ghosh, Principal, Hazi A. K. Khan College. Keynote address was given by Dr. Piyali Dan, Coordinator, IQAC, Hazi A.K. Khan College.

The main speaker, Dr. Bose highlighted the issues associated with mass extinction. When at least half of the total species die out in a relatively shorter period of time, is known as mass extinction.

Mob:

He revealed that the largest mass extinction was happened around 250 million years ago. One of the major issues of present day is global warming and climate change which has a severe impact on extinction of different plant and animal species. He also mentioned several other causes which affected biodiversity. It was an attempt to aware all the students about the significance of conservation of various species of flora and fauna. Man induced causes are responsible for this. But, there were some natural causes also which were more responsible for extinction of species in a huge scale.

He emphasised that we must be conscious about these issues. There were a few phases of mass extinction occurred in different geological time period. It was a successful event overall. He concluded his speech after greeting the audience.

After the completion of the seminar, vote of thanks was given by Dr. Nanigopal Malo, Organising Secretary and Assistant Professor, Department of Bengali, Hazi A. K. Khan College.

**Outcomes:** Following are the outcomes of the seminar-

- All the students attended the seminar benefitted with the discussion.
- Participants who were present on that day came to know about the issues and its relevance in present day context.
- The discussion of the above mentioned seminar raised the issue to conserve the endangered species of animal and plants of various environments.
- Audience realised that it is very crucial to take care of our environment as it provides livelihood to all of us.

**IQAC, Hazi A. K. Khan College**

**Resource Person:**  
**Dr. Pinaki Bose**  
Head  
Department of Environmental Science  
S.R. Fatepuria College  
Beldanga, Murshidabad

**About the Seminar:**  
Mass extinction refers to a widespread and rapid decrease in the biodiversity on Earth, leading to the loss of a significant proportion of species. Throughout the history of the Earth, there have been several mass extinction events, during which large numbers of species became extinct over a relatively short geological time frame. These events have shaped the course of evolution and significantly impacted the composition of life on our planet.

**About the College:** Hazi A. K. Khan College is the lone representative institution of Higher Education at Hariharpara Block. Generous Hazi Abdul Kader Khan donated land to set up a college. In 2008, the college started its journey getting affiliation from University of Kalyani with Honours and General courses in some disciplines in Arts. At present twelve academic departments in Arts are there, out of which seven have Honours Courses.
