Khan College</p> <p>IQAC CO-ORDINATOR & CONVENER Dr. Krishnendu Munsu Hazi A. K. Khan College</p> | <p>ABOUT THE COLLEGE</p> <p>Hazi A. K. Khan College is the lone representative institution of Higher Education at Hariharpara Block. The Block was endowed with a considerable number of Primary, Secondary and Higher Secondary institutions. But no institution was there to cater further education for the young aspirant stakeholders; predominantly the girls. The idea was initially conceived by honourable Hazi Abdul Kader Khan who donated land to set up a college. Afterwards, some local robust persons took timely initiatives in framing required Society Registration and completed other formalities with the Government. The long-cherished dream came true in 2008, when Hazi A. K. Khan College started its journey at Hariharpara High School getting affiliation from University of Kalyani with Honours and General Courses in some traditional disciplines in Arts. Very soon the institution was shifted to the present location. At present twelve academic departments in Arts are there, out of which seven have Honours Courses.</p> <p>ABOUT THE SEMINAR</p> <p>Inclusive Classroom is a part of Inclusive Education, which has been advocated in the Right to Education, Act, 2009. This is a humane approach from the fraternity of Education to include all diversities of human race in the purview of educational arena. The saying of John Dewey; 'The school is to be a reflection of the larger society outside its walls, in which life can be learnt by living. But it is to be a purified, simplified and better-balanced society' is aptly justified in this approach. In NEP-2020 also, the idea of inclusion has been glorified and encouraged. This seminar intends to throw some light on this sector of Education.</p> |
