HAZI A. K. KHAN COLLEGE AT A GLANCE

Hazi A K Khan College is the lone representative institution of Higher Education at Hariharpara, a Block within Berhampore Sub-Division of Murshidabad District in West Bengal. This institution started its journey at Hariharpara High School getting affiliation from University of Kalyani with Honours and General Courses in some traditional disciplines in Arts. Very soon the institution was shifted to the present location set up partly by Government aids along with generous donations from local people and people's representative. The focus of this institution rests primarily on nurturing excellence in the local young, who would be mentored to achieve success in their later professional and entrepreneurial ventures and lead a decent life.

ABOUT THE SEMINAR

The "NAAC Preparedness: New Practice and Perspectives" seminar is a crucial platform for educational institutions seeking accreditation from the National Assessment and Accreditation Council (NAAC). The event focused on the latest trends, guidelines, and best practices essential for meeting NAAC criteria. It will point out the importance of developing a comprehensive internal quality assurance cell to maintain consistent academic and administrative standards. The need for transparent governance, robust infrastructure, and an inclusive environment that can foster holistic student development will be discussed. Moreover, the seminar is going to underscore the role of innovative teaching methods and technology in enhancing the learning experience. Overall, hopefully the session will be a valuable resource for institutions aiming to align themselves with NAAC's standards and improve their overall quality of education.
