K. Khan College is the lone representative institution of Higher Education at Hariharpara Block. The block was endowed with considerable number of Primary, Secondary and Higher Secondary Institutions. But no institution was there to cater further education for the young aspirant stakeholders; predominantly the girls. The idea was initially conceived by Hazi Abdul Kader Khan who donated land to set up a college. Afterwards, some local robust persons took timely initiatives in framing required Society Registration and completed other formalities with the Government. The long-cherished dream came true in 2008, when Hazi A. K. Khan College started its journey at Hariharpara High School getting affiliation from University of Kalyani with Honours and General courses in some disciplines in Arts. Very soon the institution shifted to the present location. At present twelve academic departments in Arts are there, out of which seven have Honours Courses.</p> <p><b>About the Seminar</b></p> <p>Gandhi was an exceptional mythology man with tremendous intuition for people. Stories were generated wherever he went, his arrival at a place was preceded by stories and invariably, stories left behind many more when he departed. This made the Mahatma more fascinating than Gandhi, the actual Historical figure. This seminar intends to understand and appreciate the relevance of myth and reality about Gandhi.</p> <p><b>No Registration Fee</b></p>
