About the College

Hazi A K Khan College is the lone representative Institution of Higher Education at Hariharpara, a Block within Berhampore Sub-Division of Murshidabad District in West Bengal. This institution started its journey at Hariharpara High School getting affiliation from University of Kalyani with Honours and General Courses in some traditional disciplines in Arts. Very soon the institution was shifted to the present location set up partly by Government aids along with generous donations from local people and people's representative. The focus of this institution rests primarily on nurturing excellence in the local young, who would be mentored to achieve success in their later professional and entrepreneurial ventures and lead a decent life.

About the Seminar

India, with its 1.3 billion inhabitants, represents a microcosm of the world in many ways. The aspirations, achievements and challenges faced by Indian women almost mirror those experiences faced by the women globally. In the diverse tapestry of India's socio-cultural landscape, the role and status of women have evolved dynamically over the years. From being powerful leaders and influential figures in the struggles and triumphs of the modern era, women in India have journeyed through a complex web of challenges and opportunities. The seminar on 'Women in India today' would embark on a crucial exploration of the present status, issues and the potentials of women in this vibrant and multifaceted nation.
