 <p>HAZI A. K. KHAN COLLEGE HARIHARPARA, MURSHIDABAD</p> <p>invites you to One Day State Level Seminar on Understanding Museums as Repositories of Our Culture</p> <p>Organized by Department of History in collaboration with Internal Quality Assurance Cell Hazi A. K. Khan College</p> <p>Date: June 13, 2023 Time: 12:30 p.m. Venue: Rejaul Karim Kaksha</p>	<p>About the College</p> <p>Hazi A. K. Khan College is the lone representative institution of Higher Education at Hariharpara Block. The block was endowed with considerable number of Primary, Secondary and Higher Secondary Institutions. But no institution was there to cater further education for the young aspirant stakeholders; predominantly the girls. The idea was initially conceived by Hazi Abdul Kader Khan who donated land to set up a college. Afterwards, some local robust persons took timely initiatives in framing required Society Registration and completed other formalities with the Government. The long-cherished dream came true in 2008, when Hazi A. K. Khan College started its journey at Hariharpara High School getting affiliation from University of Kalyani with Honours and General courses in some disciplines in Arts. Very soon the institution shifted to the present location. At present twelve academic departments in Arts are there, out of which seven have Honours Courses.</p> <p>About the Seminar</p> <p>Museum support: people as an informal education centre for disseminating knowledge on art, history, science and technology through the material and non-material evidences. So, it is another important function of a museum to develop itself in such a way that it can serve society through knowledge dissemination. Apart from this, Museum preserves the culture. It is expected that this seminar will encourage students to visit museums to understand culture and heritage.</p>	<p>Honourable Speaker</p>  <p>Mousumi Banerjee Curator Murshidabad District Museum</p> <p>Patron Dr. Goutam Kumar Ghosh Principal, Hazi A.
