

**Hazi A. K. Khan College**  
**Class Test**  
**Subject: Geography**  
**Semester: I**  
**Course: GEO-H-CC-T-01**  
**(Geotectonics and Geomorphology)**  
**Full Marks: 20**

➤ **Answer all the questions:**

**(2× 10= 20)**

1. Define plate.
2. What is weathering?
3. What is meant by isostasy?
4. What do you mean by mass wasting?
5. Define fault.
6. What is nappe?
7. What is uvala?
8. What is the main reason behind the occurrence of earthquake?
9. What is magma?
10. What is quasta?

**Hazi A. K. Khan College**  
**Class Test**  
**Subject: Geography**  
**Semester: I**  
**Course: GEO-H-CC-T-01**  
**(Geotectonics and Geomorphology)**  
**Full Marks: 10**

➤ **Answer all the questions:**

**(1× 10= 10)**

1. Give one example of karst topography found in India.
2. What is block disintegration?
3. Give an example of continental plate.
4. What is hogback?
5. Mention one name of fault.
6. What is fault line?
7. What is seismology?
8. What is richter scale?
9. Give an example of Pyramid Peak found in India.
10. What is lava?

**Class Test**  
**Subject: Geography**  
**Semester: I**  
**Course: GEO-H-CC-T-01**  
**(Geotectonics and Geomorphology)**  
**Full Marks: 10**

➤ **Answer all the questions:**

**(1× 10= 10)**

1. Who first coined the term 'Plate'?
2. Who is the propounder of Continental Drift Theory?
3. Give an example of exfoliation weathering.
4. Who was Pratt?
5. Give an example of fold.
6. Mention one example of erosional landform developed due to wind.
7. What is the average speed of Primary seismic wave?
8. What does SIMA mean?
9. Who is W. M. Davis?
10. Write an example of active volcano.

**Hazi A. K. Khan College**  
**Class Test**  
**Subject: Geography**  
**Semester: I**  
**Course: GEO-H-CC-T-02**  
**(Cartographic Techniques and Geological Map Study)**  
**Full Marks: 20**

➤ **Answer all the questions:**

**(2× 10= 20)**

1. What do you mean by bed?
2. What are the uses of basalt?
3. What is cartography?
4. Distinguish between dip and strike.
5. What is polar coordinate system?
6. What is GEOID?
7. What is projection plane?
8. What is Radial scale?
9. What is Rhumb line?
10. What is spheroid?
