**Programme: "Kanyashree Day Programme" 2018**

**Date: 14th August, 2018**

**Venue: BDO Office, Hariharpara, Murshidabad**

**Organised by: B.D.O Office, Hariharpara C.D Block**

**No of Participants: 04**

## **Objective:**

The "Kanyashree Day programme" participation by the girl students of Hazi A. K. Khan College aimed to support the "Kanyashree Prakalpa," a welfare initiative by the Government of West Bengal. The objective was to raise awareness about the scheme designed to improve the life and status of girls through economic support and to advocate for the importance of women empowerment and the eradication of child marriage.

## **Brief Description:**

Marking a significant day, the girl students of Hazi A. K. Khan College performed at the BDO Office in Hariharpara to celebrate "Kanyashree Day," an event dedicated to the upliftment of young women. The performance centered around a skit titled "Sangkalpo" (The Resolution), which eloquently addressed the issues of women empowerment and the societal scourge of child marriage.

The skit was a poignant depiction of the struggles that young girls face when coerced into early marriage and how such practices hinder their education and personal growth. Through their act, the students highlighted the transformative impact of the "Kanyashree Prakalpa," which provides financial assistance to keep girls in school and delay their marriages.

The audience, comprising community members, local dignitaries, and the students and teachers from the different schools of the block, was deeply moved by the performance. The programme further included the various engaging performances of the participants from the local schools, informative talks about the benefits of the "Kanyashree Prakalpa" and the critical role education plays in empowering young women.

## **Outcome:**

- Enhanced community understanding of the "Kanyashree Prakalpa" and its benefits for girls.
- Sparked a dialogue on the importance of delaying marriage for the educational and personal development of girls.
- Strengthened the resolve among young women to pursue their education and advocate for their rights.
