**Programme:** Observing “দাও ফিরে সে অরণ্য...” On the occasion of International Day of Forests

**Programme Date:** 21<sup>st</sup> March, 2023

**Venue:** Hazi A.K. Khan College

**No. of Participants:** 27

## **Brief Description:**

**Welcome Address by Prottyus Kumar Ghosh:** The Head of the Geography Department, Prottyus Kumar Ghosh, delivered a warm welcome, setting the tone for the program and emphasizing the significance of the International Day of Forests.

**Inauguration with a Song by Bubai Ghosh:** To inaugurate the cultural program, Bubai Ghosh, a faculty member of the Geography Department, performed a melodious song that resonated with the theme of forest conservation. The song's lyrics beautifully captured the essence of forests as havens of biodiversity, sources of life-giving oxygen, and guardians of the Earth's delicate ecosystems.

**Speech by Prottyus Kumar Ghosh:** Prottyus Kumar Ghosh, HOD of Geography Department, delivered an enlightening speech about the importance of forests, highlighting their invaluable contributions to our planet's health and well-being. He emphasized the role of forests in regulating climate, preventing soil erosion, purifying air and water, and providing habitats for countless species of flora and fauna.

**Speech about International Day of Forests:** Parimal Karmakar and Bubai Ghosh, faculty members of the Geography Department, further elaborated on the significance of the International Day of Forests. They discussed the history of this global observance and its aim to raise awareness about the urgent need to protect and restore forests worldwide.

**Presentation on Role of Forests in Environment by Students:** Students presented a captivating presentation on the theme, "Role of Forests in Environment." The presentation delved into the various ecological functions of forests, including their role in carbon sequestration, water cycle regulation, and maintaining healthy ecosystems. The presentation effectively showcased the interconnectedness of forests with the environment and their essential role in sustaining life on Earth.

**Drama Using Small Tree:** An artistic and symbolic drama using a small tree conveyed the message of the importance of preserving and nurturing forests. This visually engaging performance added a creative dimension to the program.

**Dance for Save Forests:** The program concluded with a vibrant dance performance that celebrated the beauty and importance of forests. The dancers' graceful movements and expressive gestures conveyed a message of hope and determination for the conservation of forests and the preservation of our planet's natural heritage.

## Objectives:

- ✓ **Raise Awareness:** To commemorate the International Day of Forests and raise awareness about the importance of forests and their preservation.
- ✓ **Cultural Expression:** To express the significance of forests through cultural and artistic means, fostering a deeper understanding of the environmental cause.
- ✓ **Educational Engagement:** To provide an educational platform for students to share insights into the role of forests in the environment.
- ✓ To inspire students to become active advocates for forest protection and environmental stewardship

## Outcomes:

The cultural program resulted in positive outcomes:

**Increased Awareness:** Participants gained a heightened awareness of the crucial role forests play in maintaining ecological balance and the significance of actively participating in their conservation.

**Artistic Expression:** The incorporation of song, drama, and dance allowed for a creative and emotional expression of the importance of forests, fostering a deeper connection with the cause.

**Educational Insights:** The presentation by students provided educational insights, enhancing the understanding of the environmental impact of forests.
