About the Seminar:

In 2014, the United Nations General Assembly declared 15 July as World Youth Skills Day, to celebrate the strategic importance of equipping young people with skills for employment, decent work and entrepreneurship. India has a great potential to benefit from youth skills development because of its large young population. In this context IQAC, Hazi A. K. Khan College, Hariharpara, Murshidabad organises the present seminar to explore the importance of youth skills development for a better tomorrow.

About the College:

Hazi A. K. Khan College is the lone representative institution of Higher Education at Hariharpara Block. The block was endowed with considerable number of Primary, Secondary and Higher Secondary Institutions. But no institution was there to cater further education for the young aspirant stakeholders; predominantly the girls. The idea was initially conceived by Hazi Abdul Kader Khan who donated land to set up a college. Afterwards, some local robust persons took timely initiatives in framing required Society Registration and completed other formalities with the Government. The long-cherished dream came true in 2008, when Hazi A. K. Khan College started its journey at Hariharpara High School getting affiliation from University of Kalyani with Honours and General courses in some disciplines in Arts. Very soon the institution shifted to the present location. At present twelve academic departments in Arts are there, out of which seven have Honours Courses.
