## About the Department

History of the Department of Education dates back to 2008, since the inception of the college itself. The journey started with the General Course and afterwards, the Honours Course added extra glamour to it in 2014. Since beginning the Department has been functioning as a premier Department of the college in terms of result in specific and adopting a holistic approach in general. Education being an interdisciplinary subject, is gaining popularity among the local aspirants. Lucrative Programme Outcomes is also responsible for sound enrollment. The Department is aiming to impart learning outcome-based knowledge by adopting modern instructional methods to the stakeholders with a view to inspire and nurture the young minds to bring out best educators as well as best citizens among them.

## About the Seminar

Rokeya Sakhawat Hossain (9 December 1880 – 9 December 1932), commonly known as Begum Rokeya, was a prominent Bengali feminist thinker, writer, educator, professor, teacher and an epitome of women empowerment and political activist for Bengali Muslim girls from undivided Bengal (present-day Bangladesh). She was widely regarded as a pioneer of women's liberation in South Asia. Rokeya is considered as the pioneer feminist of Bengal. She advocated for men and women to be treated equally as rational beings, noting that the lack of education for women was responsible for their inferior economic position. So to propagate 'Women Education in Twenty first Century India', a state level seminar on Begum Rokeya will surely justify the issue and add a unique flavor to women empowerment.
