

HAZI A. K. KHAN COLLEGE
DEPARTMENT OF PHILOSOPHY
PROGRAMME OUTCOMES

After completion of the B.A. Geography (Hons.) Programme, the students will be able to

PO1. Proficiency in Critical and Independent Thinking: Develop the ability to think critically and independently, assessing arguments and positions through reasoned analysis.

PO2. Knowledge about Traditional and Contemporary Philosophical Thoughts: Acquire a comprehensive understanding of both traditional and modern philosophical theories and practices.

PO3. Develop Religious, Social, and Political Literacy: Gain insights into religious, social, and political theories and how these areas intersect and influence each other within philosophical discourse.

PO4. Proficiency in Philosophical Investigations: Develop proficiency in conducting rigorous philosophical investigations, enhancing their ability to delve deeply into complex philosophical questions.

PO5. Knowledge about Ethics and Morality: Explore various ethical frameworks and moral philosophies to understand and articulate issues concerning right and wrong, justice, and human rights.

PO6. Awareness on World Environment: Learn about global environmental issues from a philosophical perspective, understanding the ethical implications of environmental sustainability.

PO7. Develop Analytical Skill: Enhance their analytical skills, enabling them to dissect philosophical arguments and ideas effectively and with precision.

PO8. Imaginative, Informed Logical Reasoning Skill: Cultivate an imaginative yet informed approach to logical reasoning, applying this skill to solve problems and analyze propositions in innovative ways.

PO9. Ability to Speak and Write Clearly and Cogently: Develop the ability to articulate complex philosophical ideas clearly and cogently, both orally and in writing.

PO10. Ability to Interpret Texts: Acquire the skills to critically interpret philosophical texts, extracting and understanding deep and often nuanced content.
