History of the College:

Hazi A K Khan College is the lone representative institution of Higher Education at Hariharpara, a Block within Berhampore Sub-Division of Murshidabad District in West Bengal. This rural Block is considered as a Community Developing one as per administrative perspective, with a population of 2, 57,571 (Census, 2011), where minorities form 80.70%. The catchment area of the educational institutes here, include adjacent agricultural locale at large, with a little proportion of small scale industrial area. The Block was endowed with a considerable number of Primary, Secondary and Higher Secondary Institutions. But no institution was there to cater further education for the young aspirant stakeholders; predominantly the girls.

The idea was initially conceived by a local visionary, fond of education; honourable Hazi Abdul Kader Khan who donated 1.82 acre of land to set up a college with a dream to explore dreams of thousands, who had to travel a long way to acquire higher education or to discontinue it midway. Afterwards, some local robust persons took timely initiatives in framing required Society Registration and completed other formalities with the Government. The long-cherished dream came true in 2008, when Hazi A K Khan College started its journey at Hariharpara High School getting affiliation from University of Kalyani with Honours and General Courses in some traditional disciplines in Arts. Very soon the institution was shifted to the present location set up partly by Government aids along with generous donations from local people and people's representative. Primarily, the focus was on nurturing excellence in the local young, who would be mentored to achieve success in their later professional and entrepreneurial ventures and lead a decent life.

With the increase of enrolment of students, teachers were appointed accordingly under the leadership of an Acting Principal. From 2016, the college was provided permanent Full Time Teachers. Gradually, a Governing Body was formed replacing the Managing Committee / Administrator. Now, the college is a conglomeration of about 1500 students, an proficient Principal, 10 young energetic assistant Professors, 21 proficient State Aided College Teachers, 7 skillful permanent Non-teaching staff, 1 part-time Non-teaching staff, 1 casual Librarian, 1 casual Group D staff to deal with smooth conduction of academic and administrative activities . At present twelve academic departments in Arts are there, out of which seven have Honours Courses.

The college has witnessed a paradigm shift in all respect since 2021, with the joining of the first permanent Principal Dr. Goutam Kumar Ghosh who has been engaging in shaping the college towards a model institution. Alongwith the erstwhile building, the college has got a well-architected annexed building from Department of Minority Affairs, Government of West Bengal. Now the three winged building having 23 theory Class Rooms, 3 Lab Rooms (2 for Department of Geography, 1 Multi-Skill Enhancing Lab), 3 ICT enabled Class Rooms, 1 well equipped Conference Room, 1 Auditorium with modern amenities, 1 Central Library with OPAC facility favoring separate transactional arrangements for teachers and students, separate

canteen for students and teachers, separate Common Rooms for Girls and Boys, 3 Parking Places for students and staff, enough modern toilets for girls, boys and staff, a hostel for minority girls , facilities for disadvantaged persons and a marvelous ‘Gul Bagicha’ made the college an ideal place to impart collegiate education. Besides, to craft the career of the students and to turn them self-reliant, three add-on courses have been introduced from current session. Further, the authority is planning to set Arsenic free water supply, Multi Gymnasium, Departmental Library, Indoor Games Unit to promote all round development of the students.

After twelve years of establishment, the college is trying to emerge as a centre of all-round development of students. Result of students in University Examinations is satisfactory. Students are respectful, obedient and believe in the tradition of peace and communal harmony that the college is proud of.

Preparing a Self Study Report invariably opens up manifold roots to self-realisation. It indeed is an extended process of introspection and retrospection as well. It is really a challenge for the entire team Hazi A K Khan College to reflect judiciously on the vision so framed, if at all they could be achieved! So it's time to delve deep into the aspects while formulating the report. The College is in a way of steady progress and aspires to fulfill its founding vision in years to come to be a quality institution.

From the Principal's Desk

Our endeavour at Hazi A. K. Khan College, since its inception on 8th September, 2008, is to uphold the noble ideas, values and rich culture bequeathed upon us by the founder of the college, respectable Hazi Abdul Kader Khan. We strongly believe that quality education is the key to progress and success. We aim at spreading collegiate education among the economically challenged and minority community students of the area and concurrently enriching our children, especially the girls, with a modern outlook that inculcates curricular understanding and job-oriented skills. We have a bouquet of facilities that definitely benefit our students. The college is engaged in disseminating knowledge and promoting all-round development of the students by increasing their knowledge base as well as by creating awareness about their social and cultural milieu, exercising all the resources we have. Our illustrious teachers, the non-teaching staff and, above all, the Governing Body are devoted to nurture and endorse this comprehensive approach. I believe in 'we feeling' and feel that no matter whichever rank or position each one of us belong to, we must always be able to revere every person's dignity with respect, trust, empathy and cooperative attitude. The college continues to sustain and develop an order of individuals, enriched with true education, who will be global in outlook, national in ethos and at the same time reverent to local duties and commitments. It is our honest hope that with the help and co-operation of everyone we shall continue our journey towards academic excellence.
