## FROM THE PRINCIPAL'S DESK

A message for students and guardians joining the HAKKC family

**Dr. Biswarup Neogi**  
Principal, Hazi A. K. Khan College

### Welcome to Hazi A. K. Khan College

Dear Students and Guardians,

Welcome to Hazi A. K. Khan College. Since its establishment in 2008, the college has carried forward the noble vision of its founder, Hazi Abdul Kader Khan, who dreamt of bringing higher education closer to the young learners of Hariharpara and surrounding areas.

Our college is committed to inclusive higher education, especially for rural students, first-generation learners and girl students. The world of education is changing rapidly. Along with classroom learning, students now need digital competence, communication skills, ethical use of technology, career awareness and confidence to face the future.

From the academic session 2026-27, the college will place special emphasis on AI awareness, computation skill orientation, job-oriented training, higher studies guidance and entrepreneurship support. Our aim is to help every learner grow as a responsible, skilled and self-reliant individual.

I warmly welcome all new students to the HAKKC family.

**Dr. Biswarup Neogi**  
Principal  
Hazi A. K. Khan College

## Education for Atmanirbhar Bharat

Hazi A. K. Khan College seeks to support the spirit of Atmanirbhar Bharat by developing capable, creative and self-reliant learners.

**Skill Development**  
Hands-on learning, communication, digital literacy and employability preparation help students become work-ready.

**Innovation & AI Awareness**  
Students are introduced to responsible AI use, computation skills and modern tools that support learning and problem-solving.

**Entrepreneurship & Confidence**  
Mentoring, career exposure and initiative-based learning encourage students to think independently and build ideas into action.

**Social Responsibility**  
A self-reliant learner is also a responsible citizen—aware, ethical, disciplined and committed to community welfare.

# The 2026-27 Advantage

Every Major Subject + AI Awareness + Computation Skill + Career Readiness

Major Subject Learning	AI Awareness	Basic Computation Skill	Communication & Employability	Higher Studies / Internship / Entrepreneurship
------------------------	--------------	-------------------------	-------------------------------	--

Students of Arts, Humanities and allied subjects will not remain limited to traditional classroom learning. They will be introduced to the responsible and practical use of AI and digital tools for reading, writing, translation, research, note-making, data handling, mapping, presentations, academic projects, communication, employability and entrepreneurship.

**AI will not replace learning. It will be introduced as a support system to help students learn better, think critically and work more efficiently.**
