Name of the event: “Tree Plantation Programme”

Date of the event: 07/07/2018

Venue of the event: Hariharpara Field

Event category: Environmental Activity

Number of Participants: 07

Objectives:

1. Promote environmental sustainability and awareness of the importance of trees.
2. Contribute to the mitigation of climate change by planting trees.
3. Enhance the beauty and greenery of the local area.
4. Educate and engage NSS Volunteers in tree planting and environmental conservation.

Brief Description of the Programme

On 7th July 2018, a dedicated group of NSS volunteers and members came together to organize a Tree Plantation Programme at Hariharpara Field. The primary aim of this event was to promote environmental sustainability and encourage tree planting to combat climate change.

Volunteers from various backgrounds and age groups and students, actively participated in the Tree Plantation Programme. Participants brought the necessary tools and saplings and they worked together to plant trees in designated areas.

SWOC Analysis

Strengths:

- Active participation of a diverse group of volunteers and community members.
- The event contributed to the beautification of the local area and enhanced its greenery.

Weaknesses

- Limited resources, including the availability of suitable planting sites and funding, might have constrained the overall impact of the event.
- Ensuring the survival and growth of the newly planted trees in the long term can be a challenge.

Opportunities

- Collaboration with local environmental organizations and governmental bodies
- Potential for organizing educational workshops and awareness campaigns related to tree planting and environmental conservation.

Challenges

- Ensuring proper care and maintenance of the newly planted trees to ensure their growth and longevity.
- Raising awareness about the importance of tree planting and environmental conservation in the community.

OUTCOMES

The Tree Plantation Programme held on 7th July 2018 was a significant step towards promoting environmental sustainability and community engagement. This initiative not only contributed to the enhancement of greenery but also served as a symbol of our commitment to environmental conservation and combatting climate change within our community.
