Name of the event: “HIV Awareness Programme” (Celebrating NSS Day)

Date of the event: 24/09/2018

Venue of the event: Hariharpara High School

Event category: Health Awareness

Number of Participants: 31

Objectives:

1. Raise awareness about HIV/AIDS and its prevention among the people.
2. Eliminate stigma and discrimination associated with HIV/AIDS.
3. Promote safe practices and responsible behavior to prevent the spread of HIV.
4. Educate and empower individuals to make informed decisions.

Brief Description of the Programme

On the occasion of NSS Day, celebrated on 24th September 2018, the National Service Scheme (NSS) unit of Hazi A.K. Khan College organized an HIV Awareness program at Hariharpara High School. The event commenced at 11.00 a.m. and continued until 01.30 p.m. The event aimed to raise awareness about HIV/AIDS, its prevention, and the importance of destigmatizing this critical health issue. Mr. Alok Halder and other medical staff joined in the awareness programme.

NSS volunteers, college students, and teachers actively involved in NSS activities at the college were key participants in this event. They interacted with the students of Hariharpara High School to promote HIV awareness. The volunteers aimed to dispel myths and misconceptions surrounding HIV/AIDS and promote safe practices. Additionally, they focused on the importance of supporting individuals living with HIV and combating discrimination.

SWOC Analysis

Strengths:

- The event successfully raised awareness about HIV/AIDS among the local community.
- Diverse participation of NSS volunteers, college students, and community members.

Weaknesses

- Addressing the stigma and discrimination associated with HIV/AIDS. Limited resources, including funding, may have constrained the overall impact of the event.

Opportunities

- Collaboration with local healthcare organizations, NGOs, and experts in the field of HIV/AIDS to enhance the event's reach and impact.
- Potential for future HIV prevention campaigns and workshops.
- Engaging with local healthcare providers for testing and counselling services.

Challenges

- Changing attitudes and reducing stigma related to HIV/AIDS can be a significant challenge.
- Ensuring that the community sustains safe practices and destigmatization in the long term can be a challenge.
- Maintaining continuous awareness and adherence to safe practices.

OUTCOMES

The HIV Awareness program, celebrated in conjunction with NSS Day, by the NSS unit of Hazi A.K. Khan College served as a vital initiative in raising awareness about HIV/AIDS and promoting safe practices. The event effectively addressed misconceptions and stigma associated with HIV/AIDS, emphasizing the importance of supporting those affected by it. This program demonstrated the college's commitment to promoting positive change and sexual health awareness within the local community.
