Name of the event: Parthenium Weed Uprooting Campaign

Date of the event: 16/09/2021

Venue of the event: Rukunpur Road

Event category: Health Awareness

Number of Participants: 12

Objectives:

1. To raise awareness about the harmful effects of Parthenium weed on the environment, agriculture, and human health.
2. To engage with the local community and inspire them to take action against Parthenium weed.
3. To conduct a Parthenium weed clean-up drive in the surrounding areas.

Brief Description of the Programme

The NSS unit of Hazi A.K. Khan College organized a " Parthenium Weed Uprooting Campaign " on September 16, 2021. The NSS Programme Officer highlighted the importance of Parthenium eradication and its negative impact on health and environment. Students and community members divided into groups and removed Parthenium from the college campus and surrounding areas.

SWOC Analysis

Strengths:

- The event successfully raised awareness about the harmful effects of Parthenium weed among the students and community members.
- The event mobilized students and community members to participate in Parthenium eradication.

Weaknesses :

- The event's impact may have been constrained by limited resources, such as funding and manpower.
- The event's long-term impact may require sustained efforts and follow-up with the community.

Opportunities:

- Collaborations with local NGOs, government agencies, and community leaders could enhance the event's reach and impact.
- The event could be replicated in other communities to raise awareness about Parthenium weed and mobilize people to participate in its eradication.

Challenges:

- Eradicating Parthenium weed is a challenging task, as it is a fast-growing and invasive weed.
- Changing people's mindsets and behaviors about Parthenium weed may be a significant challenge.

OUTCOMES

Parthenium Weed Uprooting Campaign organized by the NSS unit of Hazi A.K. Khan College was a significant step in raising awareness about the harmful effects of Parthenium weed and mobilizing students and community members to participate in its eradication. The event was well-organized and executed, and it achieved its objectives. However, the event's long-term impact will require sustained efforts and follow-up with the community.
