## Objectives:

- To educate the students and parents about adenovirus infections and their symptoms.
- To raise awareness about the modes of transmission and risk factors associated with adenovirus.

## Brief Description of the Programme

On 9th March 2023, an "Awareness Programme on Adenovirus" was organized at Gopalnagar Primary School to educate the local community about the risks, symptoms, prevention, and management of adenovirus infections. The Adenovirus Awareness Programme aimed to educate the pupils of the school through engaging activities the adenovirus-related health issues. The event was attended by students, parents, teachers, NSS members and volunteers.

## SWOC Analysis

### Strengths:

- The programme successfully educated the students and parents about adenovirus and its associated risks.

### Weaknesses:

- The event's reach may have been limited to the school.

### Opportunities

- Future programmes could collaborate with local healthcare facilities.
