

### About the College

Hazi A. K. Khan College is the lone representative institution of Higher Education at Hariharpara, a Block within Berhampore Sub-Division of Murshidabad District in West Bengal. This institution started its journey at Hariharpara High School getting affiliation from University of Kalyani with Honours and General Courses in some traditional disciplines in Arts. Very soon the institution was shifted to the present location set up partly by Government aids along with generous donations from local people and people's representative. The focus of this institution rests primarily on nurturing excellence in the local young, who would be mentored to achieve success in their later professional and entrepreneurial ventures and lead a decent life.

### About the Seminar

The main goal of Buddhist ethics is to reach freedom from suffering by coming to see the world as it actually is and abandoning the distorted projections that our thoughts and emotions create. In Buddhist Ethics point of view, animal life is precious, and human life is even more so. Buddhism upholds lofty and demanding ethical values. In the Five Precepts Buddha advises abstinence from - harming living beings, taking things not freely given, sexual misconduct, false speech, and intoxicating drinks and drugs causing heedlessness.
