ABOUT THE SEMINAR

The campaign theme for International Women's Day-2024 is **Inspire Inclusion**. It is with great honour and reverence that we pay homage to the remarkable achievements, resilience, and invaluable contributions of women worldwide. International Women's Day is not merely a date on the calendar; it is a powerful symbol of unity, empowerment, and progress. In commemorating this day, we acknowledge the ongoing struggle for gender equality, while celebrating the countless successes and advancements made by women in every sphere of life in shaping our world for the betterment. Yet, amidst the triumphs, we must also recognize the persistent challenges and injustices that continue to impede the full realisation of women's rights. Discrimination, gender-based violence, economic inequality and limited access to education and healthcare still afflict far too many women and girls around the globe. Here, in this seminar we will try to assess contribution of EDUCATION to accelerate PROGRESS of women around.

OBJECTIVES OF THE SEMINAR

- to inspire women inclusion in all related fields
- to acknowledge contributions of women
